PAYMENT POSTING SERVICES

Challenges you may come across.

- Front office staff occupied with multiple tasks.
- Not posting payments on time.
- Absence of trained staff to post payments accurately.

What will we do about it

- We meticulously compare the claim details.
- Enter the insurance payment amount
- Determine the suitable write-off
- And ultimately conclude the claim process by utilizing either a scanned Explanation of Benefits or electronic remittance advice.

ELECTRONIC EXTRACTION OF EXPLANATION OF BENEFITS

Challenges you may come across.

- Front office staff overwhelmed with numerous responsibilities.
- Challenges in indexing EOB's in a sequence
- You may end up having sheer volume of EOB's to extract.

What will we do about it

- Extract Explanation of Benefits from websites of insurance.
- We organize and categorize the received Explanation of Benefits documents.
- We assign each Explanation of Benefits with a unique identifier or index number.

PAYMENTS VERIFICATION SERVICES

Challenges you may come across.

- Your front office staff may struggle to match the amount deposited in bank accounts and the amount mentioned on your Practice Management System

What will we do about it

- Our solution begins with the implementation of secure read-only access to your bank account.
- Efficiently verify electronic cash transfers and cheque deposits
- At the end of each month, we attach a CSV/PDF file of your bank account statement

BALANCE VERIFICATION SERVICES

Challenges you may come across.

- You may struggle to correctly verify patient balances
- Insurance company's inconsistent data or delays in updating their systems,

What will we do about it

- We update the patient account
- Send a statement to patients, informing them of the Balance they have.

ENFORCING BROKEN APPOINTMENT POLICY

Challenges you may come across.

- When patients miss their planned visits or abruptly reschedule.
- leaves gaps in our calendars that are challenging to fill.

What will we do about it

- If the patient does not show up for their appointment, we effectively charge them.
